Disclaimer

Disclaimant, Bradford Company, hereby disclaims, except as provided below, the terminal portion of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of United States Patent No. 5,725,119 issued May 21, 2001, as presently shortened by any terminal disclaimer filed prior to the grant of such patent. U.S. Patent No. 5,725,119 is solely owned by Disclaimant, pursuant to an Assignment recorded in the U. S. Patent and Trademark Office at Reel/Frame 7943/865-867. Disclaimant, Bradford Company, hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be commonly owned with the legal title to United States Patent No. 5,725,119. This agreement runs with any patent granted on the above-identified application and is binding upon the grantor, its successors or assigns.

Disclaimant, Bradford Company, does not, by this disclaimer, disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term U.S. Patent No. 5,725,119, as presently shortened by any terminal disclaimer filed prior to the grant of U.S. Patent No. 5,725,119, in the event that later such patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated in whole or in part, prior to expiration of its full statutory
